

Visit and Investigation Program

22 July 2015

Queen Sirikit Botanic Garden & Nong Hoy Royal Project Development Center

- 08:00 Leave from the hotel
- 09:00 Arrive to QSBG
- Take the QSBG tram at Visitor Center
- 09:10 Visit Glasshouse Complex (50 min.): Glasshouse Complex comprises 4 exhibition conservatories and 6 glasshouses with themed plant collections, which are:
- The Tropical Rainforest House
 - The Aquatic House
 - The Orchids and Ferns House
 - The Arid House
 - The Water Lily and Lotus House
 - The Variegated Plant House
- 10:00 Tea breaks at The Golden Gardenia Souvenir Shop
- 10:30 Visit Natural Science Museum (50 min.): The displays are pedagogic, modern and most interesting for any devoted plant lover. The living plants can be seen outside in the actual garden, while the museum treats interesting subjects such as the history of botany in Thailand, evolution and ecology.
- 11:30 Go to Nong Hoy Royal Project Development Center
- 11:45 Lunch at Nong Hoy Royal Project Development Center restaurant
- 13:00 Brief introduction of Nong Hoy Royal Project Development Center and visit to the packing house unit
- 13:45 Visit vegetable plots
- 14:10 Go to Mon Cham Viewpoint
- 14:40 Go back to the hotel
